

Dear SkillsUSA Advisors, (SkillsUSA Maryland 2021-2022 #18)

Item #1: State Championship Program Now Available on Website!

The 49th Annual State Championship program is now available on the “State Conference” webpage: <https://www.new.mdskillsusa.org/state-conference/>

Carefully review the program in preparation for the State Championship, now only five days away. Pay close attention to the “Schedule of Events” on pps. 2-3 to ensure all competing students, state delegates and state officer candidates know where to be and when to be there. Plan your Saturday morning arrival to CATN to include adequate time for all students competing at other venues to board and depart conference shuttle buses as scheduled.

Not included in the schedule of events – there will be a Friday afternoon (4/1) shuttle bus available from CATN to the Maritime Conference Center (MCC) from 2:45pm-6:30pm (for competitors in Automotive Refinishing Technology, Collision Repair Technology, Carpentry and TeamWorks). The shuttle will transport students who need to return to MCC.

Item #2: **ACTION ITEM**: Register Chapter Delegates and National Voting Delegates!

Be sure to register your student delegates for the 49th Annual SkillsUSA Maryland State Delegate Assembly. The Delegate Assembly is Friday evening, April 1, 2022, 6 pm at the Maritime Conference Center.
