Message from the State Director

March 24, 2023

Dear Friends:

Welcome! This year marks the 50th anniversary of the SkillsUSA Maryland State Championship. The annual conference provides an excellent opportunity for Maryland Career and Technical Education (CTE) students from across the state to showcase their leadership and technical skills training in a wide variety of CTE program-aligned competitions. Students have worked and prepared diligently to participate in this exciting conference with the goal of receiving top honors in their respective competitions.

Although every student benefits from participating in these real-life, applied learning experiences, gold medal winners earn the additional honor of representing Maryland this summer at the SkillsUSA National Leadership and Skills Conference in Atlanta, Georgia where 6,000 CTE students from across the country will compete for national recognition and honors.

As you observe Maryland students in action, note the scores of business, industry and education partners who voluntarily plan and facilitate events and donate contest equipment or materials.

Please make every effort to demonstrate your support to all competitors who have worked so hard to get here. Each and every student should be applauded for their efforts that culminated in participation at this conference. The SkillsUSA Maryland State Championship illustrates the vital link between education and industry that ensures Maryland students will be ready for a globally competitive workforce.

Congratulations and best of luck to all competitors!

Sincerely,
Chuck Wallace
State Director, SkillsUSA Maryland
Coordinator of Career Programs and Student Organizations
Office of College and Career Pathways
Maryland State Department of Education

SkillsUSA Pledge

Upon my honor, I pledge

To prepare myself by diligent study and ardent practice to become a worker whose services will be recognized as honorable by my employer and fellow workers.

To base my expectations of reward upon the solid foundation of service.

To honor and respect my vocation in such a way as to bring repute to myself.

And further, to spare no effort in upholding the ideals of SkillsUSA.

Become a SkillsUSA Alumni Member!

SkillsUSA Maryland invites you to join the Alumni Association. As a SkillsUSA active member you have so much to contribute to your CTSO after graduation. Membership is free and it's easy to register, visit skillsusa.org and select "Membership Resources" to find "SkillsUSA Alumni & Friends" page.

Contact Tina Taylor, Alumni Coordinator, if you have any questions:
