

BASIC HEALTH CARE SKILLS CONTEST UPDATE (4/5/24)

As you prepare for the States competition on April 13th, please consider the following:

- Be sure to review the Basic Health Care Skills 2024 technical standards
- Clothing/Supplies- There will be point penalties for not following technical standards for clothing/shoes. You do not need official SkillsUSA scrubs, they just must be of solid color. Your shoes must be all black or white, with no open toe or open heel.

o Required for you to bring:

- Watch with a second hand (No smart watches/apple watches allowed)
- A blue or black ink pen
- Any visual aids for presentations
- A one-page resume, as outlined in contest requirements, submitted online.

o Special note about presentations:

- If you have electronic material for your presentation, please have a copy on a flash drive or other storage device AND a copy sent to yourself via email. You may bring your own laptop and if able to connect you may present from your laptop. Another laptop will be available (for judges' use) to display your presentation, if needed.
- SkillsUSA Professional Development test should be taken online prior to the competition. It will be used only as a tie-breaker.
