

SkillsUSA State Championship

2024 Nurse Assisting Contest Update

4/1/24

As you prepare for your competition on April 13th, please make sure you read through the SkillsUSA Nursing Assistant Technical Standards. I wanted to draw your attention to the following:

- Clothing Requirements- there will be point penalties for not following clothing guidelines
 - You **do not** need to buy the official SkillsUSA uniform, however, be sure to wear solid color nursing scrubs.
 - Make sure your shoes are **not open-toe or open heel**.
- Materials/equipment Requirements- make sure you bring the day of your competition
 - Watch with second hand (Apple watch is not allowed)
 - Black/blue ink pen
 - Safety glasses/shield (if mask is needed for a skill, it will be provided)
 - BLS CPR card issued by the American Heart Association
- SkillsUSA Professional Development Test should be taken online before the competition. PD scores will be used only as a tie-breaker.
