# Message from the State Director

April 12, 2024

Dear Friends:

Welcome! This year marks the 51st anniversary of the SkillsUSA Maryland State Championship. The annual conference provides an excellent opportunity for Maryland Career and Technical Education (CTE) students from across the state to showcase their leadership and technical skills training in a wide variety of CTE program-aligned competitions. Students have worked and prepared diligently to participate in this exciting conference with the goal of receiving top honors in their respective competitions.

Although every student benefits from participating in these real-life applied learning experiences, gold medal winners earn the additional honor of representing Maryland this summer at the SkillsUSA National Leadership and Skills Conference in Atlanta, Georgia where thousands of CTE students from across the country will compete for national recognition and honors.

As you observe Maryland students in action, note the scores of business, industry and education partners who voluntarily plan and facilitate events and donate contest equipment or materials.

Please make every effort to demonstrate your support to all competitors who have worked so hard to get here. Each and every student should be applauded for their efforts that culminated in participation at this conference. The SkillsUSA Maryland State Championship illustrates the vital link between education and industry that ensures Maryland students will be ready for a globally competitive workforce.

Congratulations and best of luck to all competitors!

Sincerely,  
Chuck Wallace  
State Director, SkillsUSA Maryland  
Coordinator of CTE Student Organizations  
Office of College and Career Pathways  
Maryland State Department of Education

## SkillsUSA Pledge

Upon my honor, I pledge

To prepare myself by diligent study and ardent practice to become a worker whose services will be recognized as honorable by my employer and fellow workers.

To base my expectations of reward upon the solid foundation of service.

To honor and respect my vocation in such a way as to bring repute to myself.

And further, to spare no effort in upholding the ideals of SkillsUSA.
