

SkillsUSA Maryland 2025 State Championship

BASIC HEALTH CARE SKILLS CONTEST UPDATE (3/24/25)

As you prepare for the State Competition on March 29, please consider the following:

- Be sure to review the Basic Health Care Skills 2025 technical standards.
- Clothing/Supplies:
 - Please dress in clean, wrinkle-free scrubs. They do not have to be official SkillsUSA scrubs, they just must be of solid color.
 - Please do not wear scrubs that display your school's name or affiliation.
 - Your shoes must be black or white, with no open toe or open heel.
 - Watch with a second hand (No smart watches/apple watches). There will be points deducted if you do not have an analog or digital watch to use to compete.
 - A blue or black pen
 - Any visual aids for presentations
 - A one-page typed resume, as outlined in contest requirements. This must be submitted to the contest chair at the beginning of the competition
- Special note about presentations:
 - If you have electronic material for your presentation, please have a copy on a flash drive AND a copy sent to yourself via email. You may bring your own laptop and if able to connect, you may present from your laptop. Another laptop will be available (for judges' use) to display your presentation, if needed.
 - SkillsUSA Professional Development test should be taken online prior to the competition. It will be used as a tie-breaker.
