Pin Design Contest Update (4/8/26)

NEW THIS YEAR! – FINAL SUBMISSION FILES MUST BE SUBMITTED NO LATER THAN WEDNESDAY, April 15th by 8pm to:

rachael.wallace@mgfpmaryland.org

Additional guidelines:

- Designs without the original files and/or submitted after the deadline are subject to point deductions.
- Use of AI is not permitted.
- Follow 2024-2026 SkillsUSA Technical Standards
- Consider the reduction of size in your design to a pin
- Both the image of the original design and an image of design in the reduced pin-size must be provided.
- The full design process must be documented and presented in a binder on the day of competition (see Technical Standards 2024-2026 for details).
- Students who are providing a digital visual presentation must supply their own laptop.
- It is recommended to have your files downloaded on a thumb drive and/or on the hard drive of your laptop to avoid any internet security issues at the site.
- One-page single sided resume must be hand-carried to contest room.
